

# Alfredo Jaar

## Biography

Alfredo Jaar (b. 1956, Santiago, Chile) is an artist, architect, and filmmaker who considers social injustices and human suffering through thought-provoking installations. Throughout his career Jaar has used different mediums to create compelling work that examines the way we engage with, and represent humanitarian crises. He is known as one of the most uncompromising, compelling, and innovative artists working today.

Through photography, film and installation he provokes the viewer to question our thought process around how we view the world around us. Jaar has explored significant political and social issues throughout his career, including genocide, the displacement of refugees across borders, and the balance of power between the first and third world.

Jaar's work has been shown extensively around the world. He has participated in the Biennales of Venice (1986, 2007, 2009, 2013), Sao Paulo (1987, 1989, 2010) as well as Documenta in Kassel (1987, 2002).

Important individual exhibitions include The New Museum of Contemporary Art, New York (1992); Whitechapel, London (1992); The Museum of Contemporary Art, Chicago (1995); Moderna Museet, Stockholm (1994); The Museum of Contemporary Art, Rome (2005) and The Nederlands Fotomuseum (2019). Major recent surveys of his work have taken place at Musée des Beaux Arts, Lausanne (2007); Hangar Bicocca, Milan (2008); Alte Nationalgalerie, Berlinische Galerie and Neue Gesellschaft für bildende Kunst e.V., Berlin (2012); Rencontres d'Arles (2013); KIASMA, Helsinki (2014); and Yorkshire Sculpture Park, UK (2017).

The artist has realised more than seventy public interventions around the world. Over sixty monographic publications have been published about his work. He became a Guggenheim Fellow in 1985 and a MacArthur Fellow in 2000. He was awarded the Hiroshima Art Prize in 2018, and has recently received the prestigious Hasselblad award for 2020.

His work can be found in the collections of The Museum of Modern Art and Guggenheim Museum, New York; Art Institute of Chicago and Museum of Contemporary Art, Chicago; MOCA and LACMA, Los Angeles; MASP, Museu de Arte de São Paulo; TATE, London; Centre Georges Pompidou, Paris; Stedelijk Museum, Amsterdam; Centro Reina Sofia, Madrid; Moderna Museet, Stockholm; MAXXI and MACRO, Rome; Louisiana Museum of Modern Art, Humlaebeck; Hiroshima City Museum of Contemporary Art and Tokushima Modern Art Museum, Japan; M+, Hong Kong; and dozens of institutions and private collections worldwide.

The artist lives and works in New York, USA.
